

January 27, 2015

Announcement of newly established corporation.

Dear Sir,

On January 27, 2015, thanks to our customers and clients, we have incorporated "Vastity Electronics Technology Co., Ltd.". We mainly deal with the sale and purchase of used IC manufacturing equipments including imports and exports, as well as the relocation services of IC production line.

Zuoyi Wang is our president and Tomohiro Sasaki is our general manager. Together with our new employees, we are trying our best to offer the top quality services available in the market. Please give us your long lasting support for our new company.

Best regards,

Zuoyi Wang,      President.

Tomohiro Sasaki, President.
